2	The resources we had from Petaurus Education group will be better suited to the classroom delivery , rather than at a general Show day, when traffic is moving through the display quite quickly.	3/19/2024 4:00 PM

Answered: 2 Skipped: 4

#	RESPONSES	DATE
1	From a BCT perspective, attendance at a community show, rather than a dedicated agricultural event such as a field day, gave us exposure to a wider and more diverse audience. Due to the more relaxed atmosphere of a community show, people were more inclined to linger and talk to help fill in their time. Whereas people who usually attend agricultural field days tend to be there for a purpose i.e. looking at the latest machinery options or looking to buy specific products that might be on special as a one off field day opportunity.	3/19/2024 4:40 PM
2	Our BCT reps in the South East have been very generous of their time to help co-design our Landcare led workshops & we look forward to working with them again .	3/19/2024 4:00 PM
