1	Just for BCT to be mindful that when funding and working with Landcare at a regional level, most of the on ground work is delivered by districts who are often time and staff poor when delivering grant requirements, especially when templates are provided late into the grant implementation. Please provide any templates at the commencement of a grant project. Also be mindful that landcare s=district often have their own templates and requirements when implementing onground works.	4/22/2024 11:57 AM
