Q9 Do you have any other comments or suggestions on how this event could be improved?

#	RESPONSES	DATE
1	Couldn't hear the 2nd speaker, cicada noise didn't help. after a request the 3rd speaker used a microphone	12/19/2024 4:39 PM
2	Could have used microphones earlier. good order of presentations-having thee one on the impacts and diverse responses first was a good foundation for later ones, particularly the cultural burning	12/19/2024 4:37 PM
3	Soundcheck would be good difficult to hear at times	12/19/2024 4:30 PM
4	I found it very hard to hear the speakers. I have significant hearing loss but not hearing aids. The addition of a PA system made the last speaker almost intelligible, partly/mostly my problem. Otherwise good effort, appreciate the opportunity to attend	12/19/2024 4:23 PM
5	It was easier to hear with a microphone	12/19/2024 4:16 PM
6	Practical information on how to create a site map for species, fauna, flora etc	12/19/2024 4:12 PM
7	A workshop on site with a burn organised	12/19/2024 4:09 PM
